

Live Internal Vacancies: 26/10/2017

If you would like to apply for a UK vacancy, please submit a copy of your most recent CV together with a covering letter, stating why you have shown interest in the position and how you match the competencies of the role to ukhrteam@advantageresourcing.com

Job Title	Replacement / New Hire?	Location	Team	Ideal Candidate	Hiring Manager
Technical Support Engineer	Replacement	Basingstoke	SSC – IT	You will provide daily technical support for all external and internal clients associated with the Advantage group of companies. The technical support required will cover first and second line support and all applications used by the clients. The role requires a person that works to a professional standard at all time and is proactive in their approach of supporting client's needs with IT. The hours covered will be between 8:00am-6:00pm on a split shift rotation.	Maroof Malik
Client Services Manager	New Hire	Cheadle	Balfour Beatty White Collar	The role will involve client/key stakeholder relationship management, supplier relationship management and negotiation and commercial and contract negotiations. You will have a proven track record as an Account Manager/Delivery Manager with substantial experience within the recruitment industry supplying contract resource solutions/MSP environment. You will have excellent communication with key stakeholders at all levels as well as supplier management and relationship building.	Andy Niker
Recruitment Service Delivery Consultant	Replacement	London	Balfour Beatty White Collar	You will provide a full consultative service to Hiring Managers with regards to the recruitment industry and market trends, participating in regular hiring manager briefings to discuss recruitment needs, their requirements and advise managers on job specifications, market trends and selection processes. You will have previous experience within a similar role either onsite within an MSP environment or with contract recruitment. A proven track record in delivering and meeting recruitment targets and experienced in providing advice and all round customer service to key Hiring Managers.	Andy Niker

Resource Consultant	Replacement	Milton Keynes	T-Systems	You will have shared responsibility for the full recruitment lifecycle for all permanent requirements within the business. This is a varied and exciting role which would ideally suit someone with existing in-house recruitment experience looking to further their career in a growing and profitable business or someone currently working in an agency environment who has first class customer service skills and looking for their first in-house position.	Charlotte Barrow
Consultant / Senior Consultant	Replacement	Sackville Street	CC West End Perms	We are looking for a consultant or senior consultant to join our team and take on a hot desk. Ideally you will be from a business support or secretarial recruitment background but provided you have a track record of success and can show commitment to delivering a quality service to both candidates and clients alike, we are open to previous sector experience.	Rychelle Ryan
Senior Consultant	Replacement	Cannon Street	Interim & Change	We are looking for a consultant or senior consultant (preferable) to join our team and focus on senior hires within Finance & Risk (BAU and/or Change Management). Candidates must have a track record of recruiting within the finance/risk space within Financial Services. Must have a proven track record of (or ability to) operating at senior level (VP and above) and winning new business.	Jenine Ward
